### Terms of Agreement

<p>Participating contractors are eligible for a \$200 rebate per home or \$40 per cooling ton installed in a large residential or commercial installation up to a maximum rebate of \$1,000 per installation receiving its electrical power from Maquoketa Valley Electric Cooperative.</p> <p>Installing dealer(s) and/or contractor(s) agree to install only UL approved and ARI rated equipment in accordance with the manufacturer's specifications and all applicable codes. By accepting this rebate, the installer agrees to correct the installation (at no additional cost to the customer/member) if it fails to meet these specifications.</p> <p>Failure to comply will restrict the dealer/contractor from receiving future Contractor Rebates until the violation in question is corrected to the satisfaction of Maquoketa Valley Electric Cooperative.</p> <p>Maquoketa Valley Electric Cooperative and the customer/member have the right to inspect any installation for which a contractor rebate has been requested.</p>	<p>Notes:</p>
--	---------------

### Dealer/Contractor Agreement (Must Sign)

I verify that the above described equipment was installed on the date and location specified. I agree to all program requirements provided (either separately or on back of this form) and that my electric Cooperative reserves the right to inspect all equipment and verify information before issuing a rebate.
