

Maquoketa Valley
Electric Cooperative

SUMMER EMPLOYMENT OPPORTUNITY

STAKING INTERN

NO EXPERIENCE IS NECESSARY – AN INTEREST IN GIS TECHNOLOGY OR POWER LINE CONSTRUCTION RELATED FIELDS IS HELPFUL.

This seasonal summer hourly position would work with Maquoketa Valley's Line Design Group in our Engineering Dept. and work out of our Anamosa, IA office.

Duties include:

- Collection of GPS points and the associated data in the field.
- Validating the data and importing it into our mapping system.
- Assist our design technicians with the engineering design of our large construction projects, and smaller new service and customer rebuild projects.
- Prepare staking sheets and develop final material lists for project construction.
- Ability to operate Cooperative vehicles in a safe manner.
- Must be available to work 40 hours per week (M-TH 7am - 4:30pm, Fri 7am-11am)
- Must be 18 years of age
- Must hold a valid Iowa Driver's License

Applications are available on our website at www.mvec.com or from our office at 109 N. Huber Street, Anamosa. E-mail application and/or resume to sgilkerson@mvec.com.

Please apply by May 14, 2021
